Making an Impact

In July we had 12 people in training or employment. Some examples of what they produced:

Showcase

Last month we were delighted to support the launch of the new Kafe Konekt training academy and produced a range of products for them. The academy was pleased with the results

We've been delighted with the quality of the products we received. From start to finish, the service was professional, efficient, and friendly. The print quality exceeded our expectations and the prices were very competitive!

Showcase

August Promotions

This month, we are offering a 15% discount on all notebooks and folders. Perfect for back to school and work. Just quote **AUGUST15** when ordering via email or through the website.

EPIC Stories - Ashley

Our social enterprises can make a real difference to people's lives.

Ashley is grateful for the opportunities EPIC has given him and for the respect and encouragement he has received along the way. This is his EPIC story.

EPIC Social Enterprise- About Us

EPIC Social Enterprise is part of the Cornmarket Project and gives employment to those who have found it difficult to access the labour market as a result of prior criminal convictions, or who are in recovery from addiction. All profits generated by EPIC are reinvested in the business with the objective of helping people to rebuild their lives.
